

PAAVAN[®]
Ecofriendly Tableware

Premium Disposable Eco-friendly Tableware

BROCHURE

Welcome to **Paavan**, where sustainability is at the heart of everything we do. Driven by a passion for environmental responsibility, we are committed to combating pollution and reducing ecological harm through **innovative, eco-friendly solutions**. Our **biodegradable bagasse tableware** reflects our dedication to a greener future, offering sustainable alternatives that help minimize environmental impact.

More than just a manufacturer, **Paavan** is a pioneer in natural plant fiber-based and sustainable packaging solutions. From our advanced facility in Bichoon, Jaipur, Rajasthan, we produce high-quality disposable food containers, burger boxes, and single-use plates tailored for restaurants, events, and businesses. With a skilled team and deep expertise in pulp molding, we ensure excellence in every product. At **Paavan**, we believe in driving change—one sustainable solution at a time—to create **a cleaner, healthier planet for future generations**.
